Church Planting  
Missionaries to New Mexico

August 2020

Dear Praying Family and Friends,

We praise the Lord that we were able to start services in person back at the end of May. People are social distancing with no physical contact but are glad to be back in the house of the Lord. Psalms 122:1 states, "I was glad when they said unto me, Let us go into the house of the Lord."

We thank the Lord that we live in America! We have been doing our services on Facebook Live during the church shutdown and continue to do it for the people who are hesitant to come back to church. God has blessed in this avenue to outreach in our community to people that do not know Christ as their Savior. People are also excited about their lost family members and friends being able to hear the Gospel through Facebook Live. May we not waste any opportunity to reach others for Jesus Christ.

At the end of June, we were able to get back to outreach in the community by putting church invitations on doors. We also started a Christian Fellowship for our young adults and teenagers. We had ten people come to our house for our first fellowship. We are looking forward to that ministry growing in the future with more teenagers and more young families. A young lady in the church has been praying for her family to come to church and for the past two Sundays her parents have attended services. Pray that God will give us an opportunity to talk to her parents about their salvation and they will continue to come to Mountain View Baptist Church.

Please pray for our revival coming up with Evangelist Alton Beal. Due to the virus, we had to move it from June to November. We are praying now for God to move on lost people in the city of Las Cruces to see the need of Christ in their hearts and lives. Pray for our people also that God would send a revival to each of their hearts to continue to have passion and love for our church and our mission field for Jesus Christ.

And please pray that the Lord will send us a young couple that has a love and passion for teenagers to be reached through the Gospel of Jesus Christ. Our hearts desire is to see the teenagers of the city of Las Cruces hear about Jesus Christ as their Savior and they can come to church where we can have ministries for them to grow in Jesus Christ.

Remember God is in control! Christians, let's utilize one of our most powerful weapon - Prayer! Be broke once again for our country, churches and lost communities. Prayer still changes things! Psalms 33:12 "Blessed is the nation whose God is the Lord;"

In the Service of the King,
