## CHURCH PLANTING MISSIONARIES TO UTAH AND THE SOUTHWEST

July/August 2020 Prayer Letter

Hello Pastor and Praying Friends,

We returned home from our trip to Utah on July 10. We returned with a renewed spirit and supercharged zeal to get to Utah. While there, we were encouraged by those who are already laboring to reach people in Utah with the Gospel and those who are, like us, working toward getting there. We are amazed at what the Lord is doing in the Intermountain West, and especially Utah!

Since returning home, by the grace of God, we have been able to maintain a busy schedule. We have had the opportunity to share the ministry that God has called us to with churches in **SEVEN** states: **GA, AL, FL, SC, NC, TN and VA.** We have made many new friends and we are thankful for how God's people have continued to be faithful despite the circumstances. During July and August, we had **FOUR** churches partner with us to get the Gospel to Utah; this puts us at 20% of our needed support. We give God all the glory!

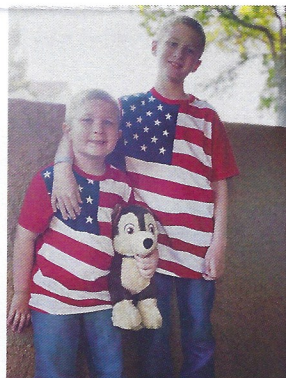

Just as many others have done in the month of August, April started school with the boys and had a successful first couple of weeks. The first Friday we used as a homeschool fieldtrip day while in Mount Airy, NC and took the boys to see Andy Griffith's hometown. April and I also got our correspondent courses for Bible college. We look forward to the great classes we have for this first quarter.

As we enter into the latter part of this year, I am thankful to have a busy schedule! All the long days on the phone, sending out letters and sending emails have paid off and we only have a few openings for the remainder of the year. We are excited to see how the Lord will work over these next few months.

### Our Prayer Requests and Needs:

1. **EIGHT** new partnering churches over the next two months.
2. Would you help us pray that we can fill the remaining dates for this year and continue to fill dates for next year?
3. Would you pray for our school year?
4. Pray for our country!
