Reaching Orphans for Jesus Christ

September 2020

Greetings!

The last several miles of driving have led me back to my home state of New Hampshire! I've had a wonderful month sharing my burden with numerous churches in the area and reuniting with dear friends & family.

(...also, I have to add, that my mom was rather shocked to find that I had somehow picked up a "southern accent" during my travels, so I guess it was good timing for me to get back to my Northern roots)

"But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven." - Matthew 19:14

I think it's amazing that children who were once *abandoned*, **now** are being prayed for by *hundreds and hundreds* of people across the US. People and church families who not only pray, but who also have stepped out in faith and sacrificed much, so that these children might know the love of Jesus like they have known.

The fact is, that yes, these precious lives may have been written off as "unwanted" in the world's eyes, but **not a second** has gone by that they weren't treasured in God's eyes.

Thank-you friends/church families so much for your faithful prayers and support. **God is using you to make a difference in many little hearts!**

Praises & Prayer:

➡ South Africa has announced that they are **opening their boarders** for international travel starting **October 1st**; HOWEVER, there will be limitations as to who may initially travel into their country based on COVID numbers. This is *still* a huge step forward and an answer to prayer!

➡ **The Lord has graciously allowed me to raise 85% of my needed support!**

My desire is to finish my deputation by the end of November, so that I can focus on applying for my visa/moving to South Africa in **January 2021**.

Would you please pray with me that the Lord would bring in the rest of my funding, enabling me to return to His "little fishes" soon?

➡ Last month, the Bergey family released a music CD with **all** proceeds going towards the funding to build a *baby haven* on our property! If you would like a CD or to give to this cause, you can do so online at: www.littlefishministries.org

In Christ's Love, *Lorna*
