July—September 2020

Dear Pastor and Friends,

Declare ye among the nations, and publish, and set up a standard; publish, *and* conceal not:... Jeremiah 50:2

The Coronavirus has been difficult on everyone but we are so thankful that our family is safe. We are praying that God will protect you and keep you safe in this most difficult time.

We are almost finished printing the 600,000 tract project for Nicaragua. I mentioned this in our last letter and it was decided to go ahead and print 700,000 total. Missionary Noé Mendoza will be distributing these tracts. This project has been slow in completing due to the virus because we wanted to make sure our volunteers would be safe. Also, the tracts we produce are of higher quality in that they are full color tracts and are in great demand because people who receive these tracts are more likely to keep and read them.

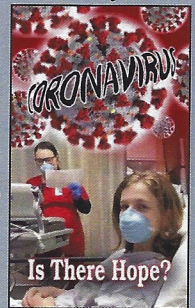

After this project is finished, we will start on a new 1,000,000 tract project for missionaries Leroy Rolston, Marti Roberts and Gene Trask in Honduras. We already have the \$4000 for paper but the shipping will cost that much or more. Please pray with us about this need. If you would like to help with shipping, please send your offering to Macedonia marking it for tract

shipping.

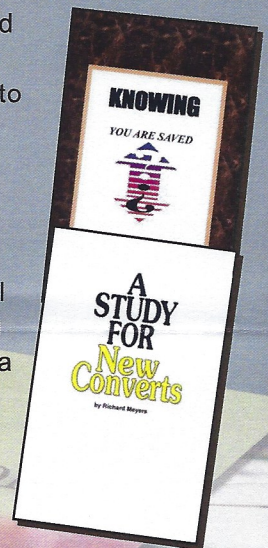

Bro. Rolston will also be distributing these tracts to other missionaries as well as national pastors in the area. Some of the missionaries and national pastors are in remote areas and some of the tracts will be transported by boat or carried in by foot. Please pray now that the gospel of Christ will touch many lives and many will be saved. Thank you for helping to make this possible.

In our last letter, we mentioned the new Coronavirus tract. It has been used by missionaries and churches and we already need to reprint them. If you would like to get some of these tracts, just give us a call at the print shop number below.

We are always blessed to hear of people coming to Christ through the gospel tracts that are sent out. When we receive a response, we send these new converts two study books to grow in the Word of God. We also try to locate an Independent Fundamental Baptist church near them.

I believe we are fast approaching the end times and it is essential that we get the Good News of the gospel to all the world. Again we want to thank you for helping make this possible. When a tract is taken to remote regions, you had a part in getting that tract to that individual. When someone accepts Christ as their Savior, it is accounted to you.

In Christ's Service,
