## Church Planters In Colorado

July/August/Sept 2020

Dear Praying Friends and Supporters,

After all we have seen and heard the last few months, we are reminded of John's last words in Revelation 22:20 ***"Even so, come, Lord Jesus."*** What a glorious thought that at any moment now we shall see Jesus face to face. Well it is a glorious thought to those who are ready. Fear is rampant and peace is scarce, what a time to blow the trumpet and declare, ***"we know in whom we have believed and are persuaded that he is able to keep that which we have committed unto him against that day."***

We have been telling people who are willing to stop and talk that it is not a question of getting a virus, but where will they spend eternity if their life suddenly expires. We are definitely not perfect, nor do we have all the answers, but it is amazing that people see something different in the people of God during trouble. We must continue to live our lives where ***"God is our refuge and strength"*** (Psalm 46:1-3). It cannot get any worse than the earth being removed!

A couple from a church we recently visited kept asking us the same question, HOW! How did you leave home? Family? Familiar Things? They went through a list of things we did to get to Colorado and do a work for God. It is not How, but rather will we FOLLOW GOD. We were able to attend a tent meeting where local pastors were in attendance. We also heard the Inspirations sing. What a Blessing!

Traveling has been an adventure. Pulling into a gas station for a pit stop turns into a scramble to find an open establishment for a bathroom. We could fill up our vehicle but could not go to the bathroom. Do not be out to late because everything closes early. These are just a few of the challenges. Nevertheless, we are back at it and the Lord is blessing. We pray for a special Thanksgiving and Christmas blessing for each of you.
