## 2nd Generation Missionaries

### Taiwan

Date: 10/20 - Prayer Letter Update:

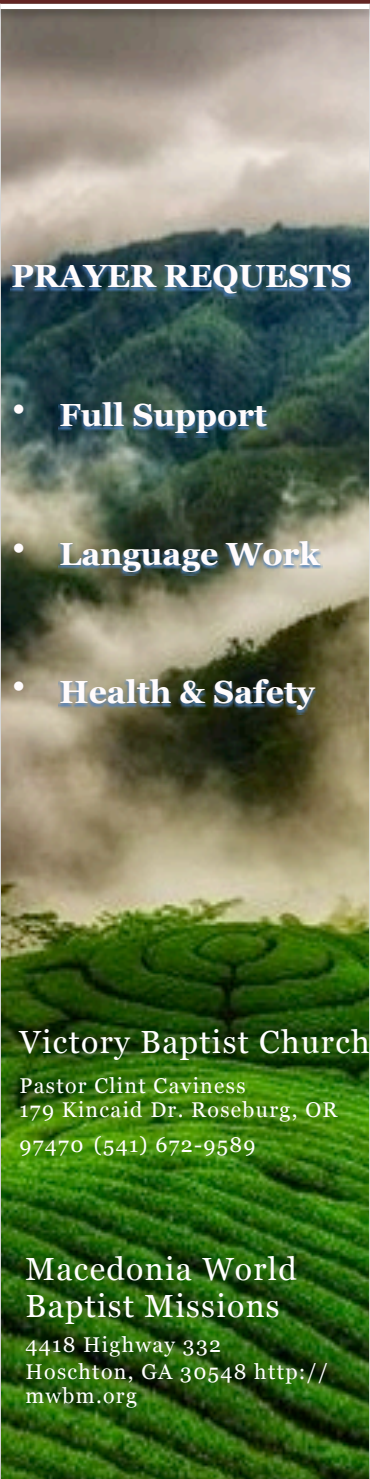

Greetings from Oregon! We are back at our home base now working to secure resident visas to return to Taiwan whenever possible. If I haven't already, we wanted to thank each of you for your generous help and prayers to see us back to the States. We greatly appreciate it! It has been great to be back with our family and church family again. Logan is having a blast with his Paw-Paw and Grom (Grandma)! :) He is growing up so fast. We hope to be able to raise the last bit of our support while we are back as well. I have heard from other missionaries that many meetings are conducted successfully with Zoom. What interesting days we live in!

I have been able to keep up with Brady back in Taiwan. We are continuing some of our lessons and conversations. I was worried about losing contact with him while gone but I have been pleasantly surprised that it has not been difficult at all. Please continue to pray for his salvation. My wife and I are working together on her Chinese as well. She is doing well and hopefully we can move forward and not backward with our respective language learning.

We covet your continued prayer for us as we seek to return to the field. Right now January is looking like the probable timeframe to return. My parents now live in our home back in Neipu. They needed to move and our home is a perfect location for the area they wish to start their next church in. When we return we will have to seek another house to rent. We are praying to find one even closer to the villages, and who knows - maybe even in one!!

Expecting Great Things,
