Greetings in the name of the Lord,

I want to thank all of you for your prayers and for supporting our family. Deborah and the boys are doing fine and the boys have started school.

My mother passed away September the 8<sup>th</sup> we weren't able to get back to the US until the 18<sup>th</sup> and I had to obtain an emergency passport because mine expired. Although we missed the funeral we are able to spend time with our family. We are currently in the US. There are many things that I have had to do with my dad and my sister before I return but I have booked tickets to return the 5<sup>th</sup> of November. I have never had someone die that was so close to me. My mother was the heart of our family. Because her death was sudden and without warning it has been very difficult on us all. God has worked out the plane tickets as well as taking care of many things we had to do.

Pray for us that I can get back my regular passport I had to send that off when I got back to the US. Pray that we can get everything done I never realized how much paperwork and headaches were involved after the death of a parent. Pray as well for my dad, my sister, and myself along with our families as my mother was loved by everyone she met.

We will be flying back to Ghana November 5<sup>th</sup> pray we can get the covid test and results in less than 72 hours.

Pray of our people in Ghana the covid stuff has affected the faithfulness of our people pray that we don't lose our church people.

In Christ,

*The Harrison Family*
