Dear Friends in Christ,

October 2020

We have been on the road for a month, traveling to either present our ministry to churches, or to help struggling churches. We're so thankful for the travel trailer that the Lord has so graciously provided for us. Many of the churches we work with cannot afford housing so the RV has been such a blessing.

The majority of our time has been spent in Brooksville, FL, where the entire staff of a church came down with the virus. The staff recovered, but the pastor did not. The Lord decided to take Pastor David Clevenger home. You can imagine the impact this has had on his family and church family. We will continue to do our best to be a help and encouragement to them during the next several months of transition.

I would like to challenge each of you to do something special for your pastor this month. We see so many churches struggling without a pastor. Please do not take your pastor for granted.

We're so grateful to all of you for your support of our ministry. We could not accomplish all that we do without the prayers and financial support of our supporting churches. We wish to thank each of you for your faithfulness and kindness.

In Christ,

Alan & Patti Saunders
