Praise the Lord! God is good even through difficult times! We had several people in our church tested positive for Covid-19 and we had to shut down church for two weeks. Even through all of this, God has been good and almost everyone that had the virus has recovered. We are asking everyone to pray for Sara Rivas; she is having the most difficult time recovering from the virus. Psalms 117:1 "Oh praise the Lord, all ye nations: praise him, all ye people."

Exciting news! a young lady, Tasia, is going to follow in believer's baptism in the next few weeks. Also, Tasia and Pam are going to join the church. We have seen several new people come to church in the last couple of months. We also have seen several people come into the church searching for the truth from God's Word. Pray that people will stay faithful to church during the Covid-19 pandemic and that we will allow God to use us to reach the lost people in the city.

God's timing is perfect with our church going through the Covid-19; and we are so excited about our revival just around the corner. We believe our church family needs the revival meetings for the encouragement and for a renewed excitement for God's Word. Pray for Evangelist Alton Beal-that the Lord will guide in every message he preaches to our church family. We are looking forward to seeing the great things that God's going to do during our November Revival.

Our people are excited about us starting a church choir. They are working on putting a program together for Christmas. We are hoping with everything that is going on that we will be able to have the Christmas program and go out into the community to sing Christmas carols. We have a strong desire not to be just a church, but a church that is on fire in our city reaching people with the gospel of Jesus Christ.

Let's all stay strong in our faith; America needs the Lord more than ever before. The Bible says in Hebrews 11:6, "But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him." May we be known as Christians strong in our faith. We pray that it not be said of our Christian lives, our churches, and our generation that we lost our faith in God and stopped faithfully serving Jesus Christ.

Laboring in the Harvest,

Caleb and Joy Worley

Proverbs 29:18 "Where there is no vision, the people perish."
