*Dr. and Mrs. Hamby have been with Macedonia World Baptist Missions since 1975, serving in Ivory Coast, West Africa as church planters and now as the assistant director and the executive secretary.*

November 2020

Dear Pastor and Praying Friends,

It is a joy to write as we look back on all that the Lord has done for us. This fall has been very busy with meetings and traveling. We are thankful for all of His blessings on us.

*Since our last prayer letter*, we have had meetings in Georgia, North Carolina, Tennessee, and all the way to Maine. The Maine trip turned out to be quite eventful. We left on Monday morning and arrived in Maine on Tuesday evening. When we crossed the state line, there was a large sign stating that all visitors must have a negative Covid test 72 hours prior and must quarantine for 14 days. We knew that with out-of-state tag we would surely be stopped. So, we contacted the pastor of the church, turned around and headed south. The pastor had no idea that the restrictions were back in force, and we did not check on it before leaving home. The pastor asked if I was willing to preach the conference remotely. While driving south, we stopped two evenings to preach from our hotel room. We were able to finish Friday through Sunday evening from home. The Lord blessed, and the people were so gracious to come to the church and watch and listen. Wow, needless to say that was a first! We are thankful for traveling mercies. We do not feel like it was a wasted trip, because we were able to share the Gospel along the way. We gave a tract to a young man at a drive-thru in Pennsylvania, who looked as though he had never seen one before...which most likely he had not.

### *MWBM Home Office*

The software transition is still underway. Our files have been sent to the company, and hopefully we will be up and running soon. It certainly has been a challenge for the office staff working through this process. Pray that we will have everything working properly soon. I hesitate to give a date since there has been hinderance after hinderance concerning this transition.

We are so very thankful to the Lord for good health and protection from the virus as we have traveled and been in meetings. We, too, are so thankful for your continued support, which we do not take for granted. God has blessed us, and may we ever be mindful of His blessings especially during this Thanksgiving season!

Yours for Souls,

*Dean and Karen Hamby*
