Borders Opening

God has been so gracious to us this month. As we have been preparing for our return to Patagonia by traveling to report in Partnering Churches and presenting God's work in Patagonia to new Churches. As we have been traveling attempting to raise our needed ReEntry Fund God showed Himself in a mighty way. While we visiting one of our Partnering Churches, Grace Baptist Church in Columbus GA, God moved on the heart of Pastor Hon to help us raise our needed funds. The Church raised the entire \$7k remaining on the spot. What a miraculous move of God right before our eyes. It was such an encouragement to our family

to see God work on our behalf & to see one of our Partnering Churches step out by faith to help us on such an amazing way.

In other great news, after a very long lockdown in Argentina the President and Health minister have begun to reopen the country. They began with local tourism and plan to reopen fully December 31st. It is refreshing to see some light at the end of the tunnel and we are very hopeful for this potential return date, though we are praying for sooner. We still have a few items that we need to purchase before we return. If you would like to help please visit the link under SetUp Fund on the left. Thank you all so much for your prayers & support.
