

# The James Kotvas Family

*Missionaries to Peru, South America and Beyond*

### Dear Friends and Family,

*Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen.*  
~Ephesians 3:20-21

### Deputation:

Thank you so much for your prayers and support. These months have been so exciting as we have seen the Lord working in and through our lives. While deputation has its challenges, it is also one of the most amazing opportunities. Over the past couple months, we have travelled tens of thousands of miles across 20 states, shared wonderful times with new friends from all over our great nation and been privileged to share our burden and passion with so many churches. A big thank you to those churches and people who have been so hospitable to us during our travels.

God truly does work in ways abundantly above all that we ask or think.” Seven churches that we have

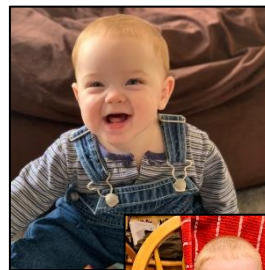

been in have told us that they plan on taking us on for support. The Lord has also provided a small luggage trailer for us to travel with which has helped greatly in giving us a little more space.

### Family:

I have learned over the years that flexibility really is one of the most essential characteristics of a missionary. That has taken a whole new meaning on when travelling with a family amid Covid. Every place we go to has different regulations and expectations and we have had to learn to adapt and overcome. We are so thankful that apart from some minor colds we have been healthy during all our travels.

### Prayer Requests:

- Please pray for the nation of Peru as they are just beginning to reopen for churches in a limited capacity. They are reeling from one of the highest death rates per capita in the world despite having one of the earliest most stringent lockdowns. And it has impacted all areas of their life.
- Please continue to pray for safety as we travel and that the Lord would provide the support we need to get to the field quickly as we sense the urgency of the hour.
