

Richard & Sylvia Vance Printing Ministry

July-October 2020

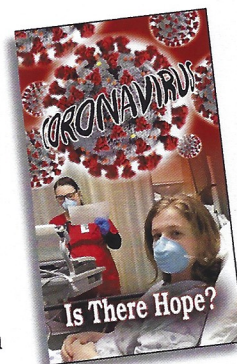

The Greatest Need for America and the World in 2020 is a thirst for the Word of God. In the book of Psalms the Psalmist says, "O God, thou art my God; early will I seek thee: my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land, where no water is;" Psalm 63:1 Then in Isaiah we read, "When the poor and needy seek water, and there is none, and their tongue faileth for thirst, I the Lord will hear them, I the God of Israel will not forsake them." Isaiah 41:17 Pray for our dry and thirsty land.

Tract Updates: We are nearing completion of an order for 700,000 Spanish tracts to be shipped to Nicaragua. This order is from Brother Noe Mendoza. Brother Carl Braswell raised the funds for the paper and Pastor Mark Biddy of Harvest Baptist Church in Dawsonville, GA will be trucking them to the shipper in Miami, Florida where they will continue their journey to Nicaragua. Thank you to all who are praying for this project.

Brother David Wade has already started printing another big order for 1,000,000 Spanish tracts. It is to be shipped to our missionaries Leroy Rolston, Marti Roberts and Gene Trask. These Spanish tracts are going to Honduras. Brother David says these tracts will be distributed to area missionaries and pastors by foot or by boat. The cost of the paper, \$4000, has come in but the shipping costs will be about \$4000 to get them there. Please lift up this project in your prayers.

Covid 19 Tract: A copy of the new Covid 19 tract is enclosed. We are on our second run of this tract and are happy with the response.

FOCUS on the Field: The Fall issue is printed and is being distributed by our missionaries. You can contact the home office at: 706-654-2818 to receive as many free copies as needed.

Health Updates: Recently an outbreak of Covid 19 affected a number of our church friends. Both Sylvia and I went to get tested right away. We tested positive despite all the precautions we had taken. After 14 days of lock down at home we felt much better and I got retested and it came back negative. So now that I'm clear of Covid 19 I'm returning to work. Most everyone at our church who tested positive for Covid 19 is doing much better.

Print Shop Support: Again, we want to thank every one who prays for and supports this work. Donations to MGPI help with ministry expenses and also provide free Gospel tracts to missionaries.

Thank you for your prayers and support of our family.
God bless!
