"And how shall they preach, except they be sent?"

July/August/September 2020

Dear Pastor and Church,

The past couple of months have continued to be slow here. We are continuing to have services and our attendance is good. We have not had any new visitors, since Covid is on the rise here in our county people are very cautious about being around groups of people. We praise the Lord that our people have been healthy and continued to come to services.

We were blessed to have our Field Director and his wife with us in August. What a blessing Bro. and Mrs. Hutchens are to our family and we appreciate the time and energy they put into traveling to visit their missionaries. We have had several Pastor's contact us in regards to not getting our prayer letter's, if you are not getting them please email me and let me know so we can resolve the issue.

We want to thank you for your prayers and your financial support and may God bless you greatly. May our churches see the need for missions through out the world and also on our own shores.

In Christ's service,

*Daniel Vaughn*
