Merry Christmas and a Happy and Blessed New Year!

Dear Pastor and Praying friends,

How can we thank you enough for all of your love, prayers, and support throughout another year that has flown by so quickly. (That sentence is what we opened our Christmas letter with last year and it still stands just as true now as then so I left it for this year too.) Thank you all so very much!!

Well what a year 2020 has been for all of us. Through it all God has blessed and helped us every step of the way. My wife and I both got the Covid virus but I am glad to say the Lord helped us greatly. Even though we were quite sick for a few days and then very weak for a couple of weeks, we are over it now! I was concerned about how Sherry would do if she got it, but she did even better than could be expected. To God be all the glory!

I was able to travel to a couple of other countries early in the year, but due to the Covid lockdowns I have only been able to travel to Mexico in the last few months. Pray we can get past this as I would really like to be able to spend some time with some of our other missionaries in the countries that are not allowing us to visit right now. I realize it could be a while yet before we can get into some of these countries and we ask that you please pray much for our missionaries that are in these places.

On that note let me say that it has been a great joy to watch the missionaries find new ways to reach the people they are ministering to, even in times of lockdown. At the same time, by doing this, they have found they are reaching many people and even countries that they would not have reached any other way. Also, the hurricanes that have recently hit Honduras one after another have caused a lot of flooding damage. Due to this, the Rolston and the Trask families especially, have had a great door of opportunity open to them. Families have sought refuge and these missionaries have been able to provide food and shelter, but most of all they have been able to share the Gospel and God's great love with these people.

We are looking forward to continue serving the Lord in the coming year as your missionaries, asking the Lord to give fruit to your account. If we can ever be of help in any way to you and your church, please let us know. It would be our honor to come by and do our best to be an encouragement in your missions program.

Your grateful missionary friends,
Fred and Sherry Kindhart
