

OCTOBER -NOVEMBER 2020 PRAYER LETTER

November 25, 2020

Dear Prayer Partners,

Praise God I am back in the pulpit at Iglesia Bautista Nuevo Testamento. On Aug. 31st we went to Fort Payne, Alabama to my daughter's cardiologist, after I was ignored at Health Park Hospital. I called for help for 5 hours without response so I checked out. When I got to Alabama, my cardiologist sent me from his office straight to the hospital and in a short time put 2 large stents in the artery called the widow maker which was 99% blocked. Another artery which was 100% closed was punched open. However, I had to wait to have a third stent put in on the right side and had to wait another 2 weeks for insurance approval. After my follow-up, we headed home the next day. We arrived in LaBelle on Saturday morning and I was preaching Sunday A.M.. AMEN!!

We thank each of you for your Prayers, phone calls, and cards.

We want to wish each of you a great Christmas season as we celebrate the birth of Jesus Christ our Lord and Savior. Praise God my heart is very good. I need prayer for my feet and legs as I had them swell from a 10 ½ medium shoe to a 13 EEE. Now I also have burns from swelling and gout and neuropathy. My cardiologist told me 7-8 times that he can't believe that I'm still alive. Praise the Lord, I am alive because of answered prayers. Thank you all. Please pray that we can pay off these medical bill balances. We had put aside money for emergencies plus I sold my Dodge 1 ton Diesel pick-up truck to pay medical bills (we used the pick-up to haul pallets of food to distribute from the food bank).

Pray for more souls for Christ.
