Exciting Update:

I am so thrilled to share that God has provided *the rest* of my needed support!

Praise the Lord! I am scheduled to meet with the South African consulate in New York City on **December 11th** in regard to my visa. Please be in prayer for this meeting, as I hope to return to South Africa by the end of **January**.

Special Christmas Project!

Swinging. Sliding. Racing. Giggling.

Just a few words that pop into my mind when I think back on all my wonderful adventures at the playground growing up.

Sadly, there are millions of children around the world whose lives didn't start off as innocent as mine and whose childhood memories have been infected from their troubling pasts.

Our desire as a Little Fish Team is to give a **home** to the hurting little lives placed into our care. A home where they are immersed in the love of God and where they can experience the joys of a warm, nurturing childhood!

That is why for this Christmas, I would like to ask if you would consider joining me in giving towards a playground for our children's home. My desire is to raise **\$10,000** so that we can build a *long-lasting playground* on the property to be the center point of many *giggles* and *squeals of delight* for years to come.

For anyone interested in giving towards this *special* Christmas gift, you can do so through:

Praises & Prayer Requests:

Special prayer request: Would you please pray for the Bergey family, as they have been battling COVID for the past weeks. Their hearts long to be back *home* in South Africa, but they are patiently waiting on the Lord for *His* timing. I know they would appreciate your prayers!

In Christ's Love, *Lorna*
