

JERRY & DEE NYE

Reviving Baptist Churches
(A CHURCH RESCUE MINISTRY)

Nov. - Dec. 2020

Dear Praying Friends,

This is Dee. I am writing this letter for my husband, Jerry. I want to let you know what has happened to him.

The end of October we both got Covid-19 and ended up getting the pneumonia also. On Nov. 7th Bro. Jerry had a mild heart attach at home. I called 911 and the EMT's checked him out and said he had stabilized. They recommended that I take him to the hospital, so I did. The hospital did not do anything for his Covid or do any test on his heart. On Monday the 9th they sent him home. On the way home he went into cardiac arrest. I called 911, got him out of the van with the Lord's help, and started CPR. A nurse came and took over, then a police officer, then the EMT's. They had to use the AED, defibrillator, to bring him back. He went to a different hospital this time. This hospital did a catheterization and he had no blockages. They also treated his Covid. On Nov. 20th they put a defibrillator with a pacemaker in and he came home on Nov. 21st. He was not getting any better, so on Nov. 30th I took him to the VA hospital in Decatur, Ga. He got excellent care there. They did an ultrasound on his heart and found a scar in the bottom back of his heart. His heart is not pumping fast enough or squeezing hard enough so the pacemaker is helping with that. The doctor said it could take 3-6 months for his heart to heal because it is very weak with all he has been through. He came home on Dec. 5th. He is very weak right now. Is a day by day recovery.

The church we were helping in Lawrenceville, GA. canceled their services for several weeks as some of them also contacted Covid-19. Bro. Jerry had a man lined up to come preach, so this Sunday, Dec. 13th they will have him in. Please pray for the Lord's will concerning this preacher.

We just praise the Lord for all He has done. The doctors said he only had a 5% chance of surviving. God's grace has been sufficient.

We covet your prayers and patience as we got through this healing time. Apparently, the Lord is not finished with my husband yet. Amen!

Thank you for the support and all the many prayers. We appreciate all of you so much and we pray for you also.

In His service,
Bro. Jerry and Sis. Dee Nye
