Pastor, Friends, and Family

We hope that you all enjoyed time with your friends and family during the Thanksgiving holiday, and pray that you will be able to enjoy celebrating the birth of Christ with them this Christmas. As always, we are grateful for your prayers and support of our family and the ministry here in Chile.

Things are continuing to progress as more and more communities around Santiago are coming out of quarantine. At our church we have come out of shut down and had to go back to shut down and now we are out again. We have had to learn to be very flexible, creative, and trust the Lord for wisdom on where and how to conduct our services.

Although, we have had months of uncertainty and challenges the Lord's work continues to move forward. We have added new people to the church this month that found us on one of our Facebook lives. We also, had a member of the church share with us that just recently her grandson, who comes with her to church as often as possible, made a profession of faith in their home. Also, just this past week a man of our church approached us about his desire to be more involved in the Lord's work. My family and I, also were invited to two churches to preach and sing for their missions emphasis. It was exciting to see what the Lord is doing in other places and that these local churches are sending out and supporting missionaries themselves.

We would like for you to know that we are praying for as always that the Lord will bless you and provide for your needs as well. We understand that with everything going on in the States and around the world that it's very important that we remember each other in prayer. We may not be sure what tomorrow holds but we sure know who holds tomorrow.
