Dear Praying Co-Laborers:

We want to wish for every one of you a very Merry Christ Centered Christmas. 2020 has been a very challenging and difficult year in many ways, but God has out shown all of the difficulties, and so we remain on the winning side. Praise God for His faithfulness. We want to thank each one of you who have stood with us in prayers and financial support in 2020. What would we do without your faithfulness? May God bless each one of you in this coming year of 2021.

I am 81 years old, but have no plans to retire until I pass on to glory, or when our precious Lord Jesus receives me, with all of you, in the rapture, which I would prefer. My wife and I both have health issues as most folks have, and would appreciate your continued prayers for us. Please pray for our entire family, that we all would bring glory and honor to our Saviour.

Our goals for 2021 are to have a closer walk with Christ, and to see all of our loved ones saved, and serving our Saviour. "What matters to us, matters to the Master", the song says, and He knows our hearts that we want to serve Him. We continue to claim (Ephesians 3: 20, 21), for ourselves, our family, and each one of you.

Serving until Jesus returns,

Charles & Oleen Tinsley
