Dear supporters and prayer partners,

We have much to be thankful for! Since our last letter God has so graciously allowed us to participate in several wonderful missions conferences and meetings with supporting churches and some new ones as well. We are grateful for each church that has opened their doors and hearts for our family as we report of the work and share about the ministry God has called us to do. We praise God for souls saved and others who have dedicated their lives to the Lord.

We are thankful for God's protection as we have traveled many miles and, although several meetings had to be rescheduled due to the ongoing coronavirus pandemic, He has kept us in good health and has provided for our needs.

We thank the Lord also for those that, even in these trying times, have raised the amount of support given, and for two new churches that have partnered with us in our mission to reach the people of Joinville with the precious Gospel. We are also grateful for several who have contributed toward our field vehicle need, totaling \$900.00, which is about 10% of the total needed.

We are thankful for the ministry that continues in Joinville through those that have been saved and have surrendered to the Lord. Even though the church has been somewhat limited by the restrictions imposed by the government due to the pandemic, they continue to worship the Lord together and to minister to each other and their communities to the best of their ability.

We are thankful that in November, we were given the opportunity to visit the Ark Encounter and the Creation Museum in the state of Kentucky. We were all amazed especially by the life-size Noah's Ark! It's huge! It truly is an experience in Bible history, and brings the Scriptures to life.

We are thankful for the opportunity to have spent Thanksgiving Day with some of our family here in Georgia, and we look forward to being together for Christmas as well. We do enjoy and treasure these precious moments with family here in the USA every four to five years. Even so, we do miss those that we love back in Brazil during this time as well.

Thank you for your continued support of our family and ministry to the precious Brazilian people. If you would like for us to come and give a report of the ministry, you can contact me by the following e-mail: jamesallen@mwbm.org or by phone: 404-851-7957.

We hope you have a Merry Christmas and a blessed New Year!

In His service,

James and Soraia Allen

Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me; **Romans 15:30**
