UPDATE

"Promised Land" Property Project

In the last 3 months we have seen more provision financially for the purchase of the property for Living Hope Baptist Church and the Valley Baptist Bible Institute. We praise our Almighty God for working in hearts and providing for the purchase. We are diligently seeking God's provision of wisdom & direction as to EXACTLY where He want us to purchase.

We had 2 properties that we were investigating. The one property we actually were in negotiations but the owner wants double what the lawyer considers is the value.

Please pray for us that God would grant wisdom to follow His leading and timing and patience in where He will give us the future home for the vision that He has given us.

Currently we have over 1/2 a million pesos (25K USD) of the expected 1.5 –2 million pesos (50 –75K USD) needed for the property.

CHAOS & FEAR - When we look all around us in this present world we see prophecy being fulfilled in preparation of the entrance of the Anti-Christ!

2021 very well could be the year of Christ's return in the clouds for the church!

Update on Covid in MX

Just like parts of the US, Mexico City area began in mid November to apply more restrictions as they geared up for the busy holiday shopping season what they call "Buen Fin" or "Good Weekend"

Then in mid December, we went into "semaforo rojo" (red light) with restrictions set at the highest. We continued to have in person services just like the Catholic Church in town and everyone else that continued with their activities during Christmas and New Years.

What is sad is that most of the older people have not been to church in months.

Start of 3rd Church Plant

In early December we ordained one of the men who had been assisting in Lighthouse Baptist Church (2nd church started 3 years ago). Carlos and his wife Areli felt called of God to go start a church in a neighboring state of Queretaro. Carlos finished his seminary training years ago in Argentina and came to us almost 2 years ago. He has become not only a ministry partner but a good friend. It helps that he has been a fan of the Philadelphia Eagles for years.

They have already moved to Queretaro, and will be starting Bible Studies with a handful of families and Lord willing in February plan to officially start the church. We plan to take a group and help them canvass in preparation. Both churches also took them on as missionaries as part of their missions program.
