December 2020

Dear Co-Laborers in the Lord Jesus Christ,

Yes, this has definitely been a different and difficult year for all. Still, the Lord has blessed with many love offerings. I want to say a very special thank you for all the special offerings, with these offerings, I have been able to send out financial help to a good number of missionaries on the fields and to assist them in this time of crisis with the virus affecting everyone. The offerings have been a blessing and have been used on the fields in reaching precious souls for the Lord Jesus Christ.

I have been blessed by the Lord to still be in good health for my age. I try to keep in touch with missionaries on the fields so I can pray for them and help them when there is a need.

I ask the Lord to give you a very special Christ-centered Christmas for all and looking forward to a New Year to serve the Lord in His harvest field for souls. Let us take time to use this opportunity to reach many in the New Year. People are scared and looking for some answers to their questions and they are easier to talk to than ever before.

Thank you for your financial support and prayers for all. I remain your missionary in His harvest field for souls.

We remain your Missionary in His harvest field for souls,

Brother Dick Frost
