MINISTRY NEWS

NOVEMBER-DECEMBER 2020

Psalms 16:8 *I have set the LORD always before me: because he is at my right hand, I shall not be moved.*

As we come to the conclusion of an incredibly challenging year, I'm reminded of how much things have changed from this time last year. So much has changed, and in a manner which no one could have predicted. If your eyes are fixed on the news and your mind on Washington you may be nigh unto despair. However, if we choose "set the Lord always before us", we shall not be moved!

The good news is that our God and His promises did not change or fail in 2020. In a world that's out of control, the Lord could not be in more control! At a time in our country that things didn't seem to work right, God is still working right!

We have a concrete hope and a peace that passeth all understanding in Jesus. We have a life changing, world changing message in the gospel. That cannot and will not change! It is this glorious message that we will continue to proclaim. It is this hope and peace that we will continue to enjoy and demonstrate to a lost and dying world. In fact the darker the night, the brighter the light shines.

I am thankful to live in a state in which we have been able to continue to do God's work without any hinderances from our state or local government. That's not to say that Covid concerns have taken no affect on us but we are still seeing the Lord move and open doors to reach souls and have a greater impact for the cause of Christ. We have had many opportunities to share the gospel for the first time with many.

Last update I shared with you about 17-year-old Lexi getting saved and being on fire for the Lord. She is from a Catholic family and is trying to win them to Jesus. **Listen to Lexi's testimony;** *"Accepting Christ into my life was the best decision of my life. I pray that everyone in my family can get saved and they can experience God's full love and grace for them. Not even just my family, every single person. I cannot express enough how amazing God is...If the Lord calls me to do anything I will follow. I know the most fulfilling passion in my life is to teach others about God...although there are many unknowns, I trust in the Lord with all my heart, and am thankful to know where my eternal home is!"*

Friends, just a few months ago this precious young lady was lost in the darkness of religion, now she is bringing truth and life into her lost family and friends! Thank you! For caring enough to pray and give to help us reach people like Lexi! We can rejoice together as laborer's together we were able to reach Lexi! What if there had not been a church here for her to come and here the truth!?

Recently, **God also saved 16-year-old Kay Lynn.** One our families who drive 30 minutes one-way had been bringing her to church. The change has been such in her life that her parents have decided to come. Now her mom and dad have been driving up for the past month. The Spirit of God is really working on their hearts as well.

AKRON UPDATE

The Bible study in Akron is growing to around a dozen people are coming. This ministry is gaining traction and we are looking for God to do great things! Please pray for Michael and Hannah as they faithfully work in this task!

Merry Christmas an thank you for your faithfulness in 2020! I am looking forward to an amazing 2021 together in the work!

Because of His Grace,

Bro. Jesse Hailey
