Dear Partners in Ministry,

January 2021

We are currently in quarantine with the COVID-19 virus. I began to show signs of infection on Christmas Eve, and in about three days, Angie followed me into the ranks of the infected. Angie received her test results in a few days, and we both did the self-quarantine. Angie experienced severe breathing difficulties, resulting in several days hospitalization. Thanks to the prayers of thousands of Prayer Warriors, she was released from the hospital just a couple of days ago, but we still face quarantine as of this writing.

The Lord has thus far spared the members of our two congregations in Belize, although every family knows someone who has been sick or died. I am including a photo taken on January 3rd of a service in Patchakan. We have been hearing regular reports of folks professing Christ as their Savior in services at both the English and Spanish Churches.

Please continue to pray that Angie and I will be able to return soon to Belize. It is my desire, and I believe it to be The Lord's will, to plant a new Church on the island when we return.

Thank you for your continued support and prayers.

David and Angelia Harper

Serving in missions since 1998
