Serving in Chile

December 2020

Dear Pastors & Friends,

We are so grateful for the wonderful privilege the Lord has given us over the last 15 years to be His ambassadors in Chile. After two years of deputation ministry, the Lord has given us 13 blessed years in Chile as church planters. All in all it has been a most amazing experience witnessing the Lord do "exceeding abundantly above all that we ask or think."

However, after much prayer we believe that the Lord is closing this chapter of our life and preparing for us a new one. We will be returning stateside by the end of this year. This may come as a surprise to many, but it has been something we have prayed over for some time and recently the Lord confirmed that a move back was in His plan.

We couldn't write this letter without expressing our gratitude for so many from our pastor Timothy Campbell and Old Suwanee Baptist Church, Macedonia World Baptist Missions and for the many churches that have supported us through the years. Our hope is that we represented you well and that the transformed lives, planted churches and trained leaders will continue to yield fruit to your account for many years to come.

Our time in Chile has been an absolute joy and we have no regrets. We are not leaving burnt out or frustrated, but rather with joy for having had the honor to labor in Chile while working alongside a great team of missionaries, national pastors and churches. I want to thank in particular Jason Holt, (Vision Baptist Missions) for receiving us and showing us the ropes so many years ago. Also, I want to thank Ivan Chacon (Macedonia World Baptist Missions), David White (Baptist International Outreach) and Jaime Smithey (Macedonia World Baptist Missions) for being such great friends and co-laborers. As you can see there are some great families that continue to work in Chile and I encourage you to reach out to any of them.

Also the work in Chile has been blessed by the ministry of CORE (coremissions.org). CORE is a great ministry that facilitates temporary support for national pastors until the local churches are able to support them full-time. CORE has been a huge help to several of the Chilean pastors that have graduated from the Bible college. CORE has a great system of accountability in place to ensure that the pastors being supported are of sound doctrine and practice. They would be an excellent consideration to your missions plan.

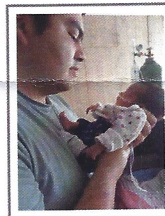

Please feel free to reach out to me if you have any questions.

*In Christ and for His Glory,
Jason & Jenny Kenney*

- Our final week in Chile we ordained Rodolfo Soruco as pastor of Trinity Baptist Church. We find confidence in knowing the ministry will continue on because it has been handed off to capable men. Pictured below are two men that Rodolfo has disciplined. One of them is taking classes in the Bible College and is interested in the ministry. That is how your giving will continue to yield fruit long after we have left Chile.

- Be praying for Camilo and Mariela. Their baby Edén is at home, but still very delicate. They are trusting the Lord to get them to Ecuador in His timing. Their newest projection is May of 2021. They still need a few more supporting churches. facebook.com/familiaencinaecuador

- Jenny has been busy with many Bible studies via Zoom over the last two months. The Lord has used her tremendously in Chile and her ministry here will be felt for many years to come.

A Letter from my pastor, Timothy Campbell

Dear Fellow Pastors and Churches,

Greetings in the name of our Lord Jesus Christ and I hope the Grace of God is rich in your ministry.

I am writing on behalf of Bro. Jason Kenney.

Bro. Jason is a missionary out of Old Suwanee Baptist Church. We are blessed to have 10 Missionary families our of Old Suwanee and supporting about 100 Missionary families around the World.

Jason has been faithful to the call of God upon his life and to the work in Chile of planting great churches of life faith and practice. We have visited them in Santiago and have seen with our own eyes and felt with our own hearts the Spirit of God at work through their ministry. God has His hand upon Bro. Kenney. Sister Jenny has made a great impact upon the ladies they have ministered to for years. I have been amazed at her desire and her love for those people. Their children are a great blessing. I have seen them grow up into fine Christians. They were so involved and faithful to their families mission in Chile.

Bro. Kenney and I have discussed his work many times and now he believes his part of the work in Chile is complete. He will be coming back to the states to follow God's will for his life and his family. But his work in Chile is not over. Because of the faithfulness of this family to preach the Gospel and to train preachers and laymen to carry on the work and to start other churches, that ministry will go on till Jesus Comes! Now that is Faith Promise Missions coming to fruition right before our eyes. Praise God.

Thank you so much for supporting the Kenneys, and I know for a fact that there will be many souls in heaven whose names will be in the Book of Life, because you invested in this great work.

Please feel at liberty to call me or Bro. Kenney if you have any questions.

Assisting the local church and the missionary
in reaching the world with the Gospel

Re: Jason and Jenny Kenney

Dear Pastor and Supporters:

I am writing to share with you that Jason and Jenny Kenney, missionaries to Chile, have resigned from Macedonia World Baptist Missions. The Kenneys feel the Lord has, for a while, been working in their hearts to open a new door of service for them.

Brother Jason and Mrs. Jenny have served the Lord in Chile exhaustively and faithfully, establishing several churches and training many Chileans for the ministry. They are leaving a wonderful host of believers, including pastors and pastors' wives, and a family going to the country of Ecuador as missionaries.

The Lord has used the Kenney family to do a great and lasting work in the country of Chile, and we are sure that they will continue to be used in a great way wherever they go. Would you please pray for them as they go forward?

In order to help with the Kenneys transition, Macedonia will continue receiving and forwarding their support through March 31, 2021. After that time the support will be returned to you.

If you have any questions, please feel free to call us. May the Lord richly bless you as you strive to get the message of Christ to the world.

Yours for Souls,
