

The James Kotvas Family

Missionaries to Peru, South America and Beyond

Dear Friends and Family,

For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.

Jeremiah 29:11

Wow! What an incredible year 2020 was. It would be

easy look back on the highlights of the year and think of all the negative things that have happened: Nationwide riots, a global pandemic, political unrest, several months in the hospital, cancelled meetings and changed plans. Yet, we cannot forget the amazing opportunities that God has given us this past year.

We are excited to report that our current support level has jumped to 31%. The Lord has done exceeding abundantly above all that we could ask or think. We are continuing to book meetings for this coming year and are praying

that the Lord would line up the churches in our schedule which he has prepared to partner with our ministry.

We were thankful to be home for both Christmas and the New year spending it with friends and family. We were also excited to be a part in an outdoor

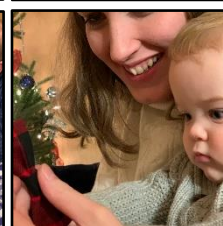

Christmas Festival which our home church hosted as an outreach to the community. James was able to help with Setup as while as throughout the festival while Ann helped with one of the food booths.

Elsie and Jimmy are growing by leaps and bounds. Elsie loves playing in the snow and always makes a bee line for the snow pile to grab a handful to eat. Jimmy is starting to crawl and loves getting into all kinds of mischief.

Thank you so much to each of you who have taken our family on for support as well as those who gave special Christmas gifts. Please pray that the Lord would provide a full schedule for this year as well as safety and health for our family as we travel.
