Dear Co-laborers in the Lord's work.,

Well today is the great day of my 94th birthday! Last night my children had all arrived to be with me for the occasion. It was my Son's birthday also. They all arranged for the big party last night.

Nine different families had a representative at the party. Over the years I had been the pastor to each one. We had a big meal with all the trimmings, a great time of fellowship, and prayer. We really enjoyed the evening.

I had two Dr. app. yesterday, and one for tomorrow. I do enjoy fairly good health, except for my legs.. I want to thank all for your prayers and for your faithful support. Yes I am still working in the Missions and plan to until Jesus Comes for us. I continue to pray for each Church and Pastor daily and trust the Lord to bless you daily.

I remain one of your Missionaries in HIS harvest field for souls.
