*Dr. and Mrs. Hamby have been with Macedonia World Baptist Missions since 1975, serving in Ivory Coast, West Africa as church planters and now as the assistant director and the executive secretary.*

Dear Praying Friends:

Psalm 46:1, "...God is our refuge and strength, a very present help in trouble."

This year has not been without its challenging times so far. We are so sorry for the delay in getting this letter to you. The third week of January, we were both diagnosed with Covid. We are now in week four and are have finally turned the corner in our recovery. I went to the ER twice and Karen had to stay for two nights in the hospital. In the midst of it all, God has been so very good. We know that each of you have so many challenges in your families and churches. Praise the Lord for His help for each of us during these difficult days.

### *Challenge for Missions*

Our home church, Old Suwanee Baptist Church, just finished our annual missions conference. We were not able to attend because of our sickness, but it was a blessing to be able to watch live stream. Each message and missionary presentation was such a challenge and blessing. We were blessed to be able to send our 2021 faith promise cards to the Church to be counted.

### *Macedonia*

January at the Home Office is always a very busy time. It is a long process and there is a lot to do getting the 1099's prepared and sent to the missionaries. We were well into the process of getting them completed when we became sick. We are so thankful and blessed to have our wonderful staff at Macedonia who stepped in and finished everything for us.

### *Missionaries in His Service*

Pray for our missionaries as they are faced with many challenges in dealing with Covid in their countries of service. Pray for our son and his family as they labor in Quebec. They are on strict quarantine and are limited to only 10 people in attendance of each service. There are curfews and extreme fines for non-compliance. Sadly, this story is repeated all around the world. The devil does not want God's Word going forth and is doing all He can to hinder God's work.

Thank you so much for your faithful support and for your prayers on our behalf through these times. May the Lord of the Harvest richly bless you all as you labor in His vineyard!

In His Service,

*Dean and Karen Hamby*
