*JANUARY 2021 UPDATE*

## January Highlights:

We enjoyed a great Christmas season this year and have had the opportunity to serve in several areas & ministries. We have seen the Lord work in some mighty ways.

## Prayer & Direction

2021 has already started off much like 2020, full of unknowns and heavy emotions. Some unknowns have been answered. Unfortunately we were unable to return to Argentina in December and according to the government we may not be allowed until the end of 2021. With this heartbreaking information we are forced to make some really difficult decisions. We are seeking the Lord where we may serve while we are waiting for Argentina to reopen or if we should change fields all together. This is not a decision we take lightly and would ask all of you to pray with us as we seek the Lord for His perfect will and direction. The Lord has given us many ministry opportunities here while we have been shut out of our field but we are petitioning Him for a more permanent place to serve if He will.

We are moving out of our home in Patagonia with the help of some of our friends there, so that we can free up funds to serve wherever the Lord may lead. This has been a very difficult and

emotional time for the family as we all wish we could return yesterday to the place we call home, but we know that God has a plan for us. I am so thankful for the godly family the Lord has given us with a resilient heart and desire to continue to serve Him through this crazy year. We are looking forward to what the Lord has in store for us and the fruit that He will give.

Continue to pray for the work in Argentina as there are so many without the Gospel and such a great need for missionaries and church planters all over the country. Also please pray for the region of Patagonia as they have been hit very hard by this pandemic and the economy there has been devastated.

We are so grateful for your faithful investment in our lives through prayer and sacrificial giving. We are asking God to direct us to the place that will bring the most fruit to your accounts for His honor and glory. Thank you all so much for your prayers and continued support.
