Greetings from South Korea !

Last week was a great holiday season here in Korea. Most people were on the road to visit their home towns to see their parents, relatives and their friends in order to greet them on New Years Day (lunar calendar).

But now the people are under a great fear of death because of the contagious virus spread out from China. More than 500 victims died in China and 30,000 are still contaminated and multitudes are quarantined. God can stop the spread of the viruses if the people return to the great God, creator of the universe. God is the only shelter in time of trouble. Would you join us in prayer so that God can use us as His instrument of spreading the Good News of our Lord and Saviour?

The Korean people are going through great trials at the present time because the Korean president turned out to be pro North Korea. But God is still in control and able to guarantee that He will keep South Korea in the hollow of His mighty and powerful hand. He is our victory and our crown of life!

Praise God for His faithfulness, provisions, and support for our work of missions.

Because of Calvary,
