JANUARY 2021

Greetings from South Korea !

Let us not be weary in well doing: for due season we shall reap if we faint not (Gal 6:9).

It's a heavy trial not being able to attend the church services because of viruses. They all seem tired and exhausted fighting against corona viruses but our God is on our side and He is our shield and defender, Praise God.

Apostle Paul said preach the Gospel in season and out of season. Last week I had an opportunity to preach the Word online to my relatives residing in California. They love the Lord and two of them are already called to preach. Praise the Lord!

It has been almost 6 months since I had a back surgery and it takes a long time to heal. I believe God is trying my faith so He could use my life for His ministry in this part of the earth. Praise God for His wonderful grace to be the missionary carrying out the news of the Gospel to the regions beyond.

Pray for the spirit of God's wisdom and understanding I need for His work. Pray for the complete physical healing for the Gospel work. Pray for our family to be kept in His hand from satanic attack. Paul said pray without ceasing because Satan is walking around seeking whom he may devour.

We are deeply grateful for your faithful support and encouragement for the missionary work here In South Korea.

Because of Calvary,

Young Ho and Cathy Lee
