Dear Friends in Christ,

January 2021

God has been so good to us! Yes, we have had setbacks just as everyone else, but God has been better to us than we deserve. Thus far we have traveled thousands of miles, and preached in many churches and still see God working behind the scenes in all that we do.

We are currently working with a church without a pastor in the Destin, Florida area. There is a wonderful group of people there that are patiently praying for a pastor. We have already met with several pastors within an hour's drive of the church, in hopes there might be a future bi-vocational pastor found for the church. Please pray with us and them, for God to send the right man.

At this time we are still driving back and forth (since November 2020) from Atlanta to Destin every weekend. Being that Destin is "Vacation Land," we have no place to park our RV. The church is still in a store front so parking there is not allowed. There are state parks, but they are booked well in advance. The private RV parks are priced well out of our means. Pastor Muse of Vision Baptist Church of Crestview, Florida has graciously offered to let us park our RV at his home. This is still an hour from the church in Destin, but a blessing, considering our circumstances. We are so thankful for him and his kind offer.

We wish to thank many of you for your special Christmas offerings. What a blessing it was to us to know you thought of us as family and included us in your gifts. As I said in the beginning of this letter, "God has been so good to us, we have no complaints." He has used each of you to encourage us to reach as many churches as we can in 2021. May God bless each of you for your kindness and faithfulness.

In Christ,
Alan & Patti
