Dear friends of the Ministry,

I am so thankful the Lord has promised us His presence and blessings as we seek to serve Him and carry out the Great Commission (Matt. 28:19-20).

I am glad to report that we have had a lot of meetings and have many more planned in the next few months in spite of the covid situation. I have been busy in my office the days we are in town, helping with projects for the mission board, ministering to missionaries, teaching mission's classes, etc.

Just finished a great missionary conference in Blairsville, Ga. I went out soul winning by myself (as I often do) and had the privilege to win a lady to the Lord! The pastor and I followed up with a visit to her. PRAISE THE LORD! We are excited about her getting baptized and into the church family.

I was scheduled to leave for Burkina Faso, Africa the 19th of this month. But due to a problem with the covid shots not mixing with my yellow fever shot (which there is a world shortage of right now), it delayed our visa, thus we had to cancel our trip. We were disappointed but believe it is God's plan for now. What a day that will be when the covid situation is behind us. Remember, there is NO PANIC IN HEAVEN.

I do plan to be in Europe later this year (Lord willing). I hope to be in **Spain, Belgium, England, Italy, Slovenia**, etc. I want to spend time with our missionaries and offer them any assistance I can give. I always look forward to participating in their ministries of church planting. I try to be an encouragement to them, but they end up being a great encouragement to me.

Thank you for your friendship, your support, and your prayers. We all have a big task, but God has given to us what we need. To God be the glory!
