Dear Faithful Prayer Warriors,

Greetings in the wonderful and matchless name of our Lord and Saviour, Jesus Christ. I pray this letter finds you well and rejoicing in God's great grace.

It is my prayer that the area in which you live is experiencing a reduction in the Covid virus and restrictions. I praise the Lord that many churches are starting to have missionaries visit once again as well as hold missions' conferences. It is a great joy to be able to fellowship once again with the saints of God around His Holy Word. Praise the Lord for two new missionary candidates Macedonia World Baptist Missions has recently accepted. It is a great joy to see families who love God and are willing to go wherever God sends.

Praise the Lord, many of the islands in the West Indies are not only showing a decrease in the number of active Covid case but are also loosening restrictions on churches and gatherings. Some of our missionaries in the Caribbean have been able to actively return to door-to-door visitation and hold in person church services with size restrictions. David Ballinger in Bequia was able to purchase a boat for half its value to take the gospel to neighboring islands. I am so thankful for our missionaries serving in the West Indies and their determination stay the course and fight the good fight of faith.

Please pray for our daughter Melissa. She is 28 weeks pregnant and has been hospitalized until their daughter is born. Melissa and Jasen have twins that are three years old. Pray for Jasen to have the strength he needs, and for Jasen and the twins to be ok with Melissa being gone for so long. Please pray for a safe delivery and healthy baby.

I have had my Covid Vaccine and in another month, Anita will have finished with her vaccine. We would love the opportunity to visit your church to give an update on the ministry and to encourage your church family in the area of missions. Please call me (770-713-4135) if I could be an encouragement to your church family and give a ministry update. THANK YOU, for your faithful prayers and support allowing us to serve God in missions for 33 years.

In His Service,

David & Anita Fenley
Gal. 2:20

Please pray as I preach that God will save souls and call forth laborers to go into all the world to preach the gospel of Jesus Christ!

I must work the works of him that sent me, while it is day: the night cometh, when no man can work.
John 9:4
