## January & February 2021 Prayer Letter

March 2, 2021

Dear Prayer Partners,

God has greatly blessed our mission and family these first 2 months of 2021. Praise God, my heart is doing well and I have been able to be busy for the LORD.

Our 14 yr old fox terrier "Louie" died next to my chair right after I had the heart attacks. Our new dog "Ted-e-Bear" is the most loving dog we have ever had. He is a long haired Dachshund mixed with Yorkie. Dr. Shavers in Pisgah at Mountain Top Animal Clinic got him for me. He was a rescue dog.

On visitation to a work camp, Jessie Stephens and Adriana Lazalde, with a six year old son, received Jesus as their Savior by faith, and also Franco and Juan Pascuale.

We had a 20 year old young man, Immanuel Sandefur, who had been back in our church for a couple of months, killed in an accident. He was in a van, returning from a technical school in Immokalee. His back was broken when a vehicle ran a Stop sign from a side road into the van. He had cerebral palsy and in the past few years had surgery a few times. I believe he was saved and had lived a hard life. They were trying to get him out of the wheelchair and walking. He had a good brain and listened to sermons very carefully.

Our daughter, Laurie Ford, had a major heart attack in February and I just got a message that she had another heart attack today and is on her way to the hospital in Ft. Payne now.

Please pray for Laurie and her sons Jedidiah and Justus. They already have heart problems. Pray for more souls for Christ. My sending Pastor Bill Roan has Covid 19, after attending a Preacher's Meeting and his wife has shingles and is recovering. There are so many sick people in our churches at this time. Please pray for God's help and for this Nation which was once called a Nation of God.

May God bless us all greatly. Look up, our redemption draweth nigh.
