January – March 2021

Dear Pastor and Friends,

We greet you in the wonderful name of our Lord and Savior Jesus Christ, "Who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a peculiar people, zealous of good works." Titus 2:14

2021 has already been a very busy year for us. We have continued to print tracts despite the complications due to the pandemic. We are working on the million tract order for missionaries LeRoy and Amber Rolston and Gene and Robin Trask in Honduras and will be shared with many missionaries and pastors throughout the region. One of the tracts we are printing, is in the Miskito language spoken by the Miskito people in Northeastern Nicaragua and in Honduras. Gene and Robin Trask are missionaries to the La Moskitia region of Honduras. We hope to have this million tract project finished by the end of April.

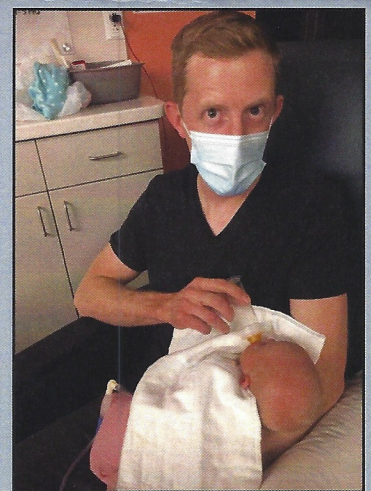

You can read about the Trask's ministry at: <https://traskgr.wixsite.com/traskfamily>. Also check out the Rolston's FaceBook page at: [www.facebook.com/Rolstons-in-Honduras-1464252057128639/](http://www.facebook.com/Rolstons-in-Honduras-1464252057128639/)

We told you about the translation of the tract, *Am I Going to Heaven?* into the Vietnamese language. We were so excited and praised the Lord when we received a call from a pastor telling us of some Vietnamese who came to Christ through that tract. That makes all the work, all the long hours worth it

when we hear of people coming to Christ. We rejoice together with you because you had a part in their salvation.

We want to ask you to pray for our granddaughter who was born on February 3<sup>rd</sup>. This was our son Mark's second child. She was born with an annular pancreas which was causing a restriction of the duodenum. After birth, the doctors did an immediate surgery to bypass the restriction. This helped but it may be necessary to do more surgery. Please earnestly pray for Eva that the results of the first surgery will improve and not have to have the second one. She also has developed a staph infection on her cheeks from the tape used to secure the drainage tube to her stomach.

Florence and I would like to thank everyone who sent us Christmas cards and gifts. It was such a great blessing to know we are prayed for and thought of at Christmas and all through the year. We think of you too and pray that God will bless all of you as you continue to reach a world for Christ through the printed page.

In Christ's Service,

*David & Florence Wade*
