March-April 2021

Dear Co-laborers in the Lord Jesus Christ;

This past year has been a different kind of year. The world has been forced to slow down in many ways. The result of this is the pastors need to rebuild their churches.

Attendance is down due to many getting comfortable watching the services in their easy chair, on live stream, with coffee in hand. We thank God for the technology we have to broadcast the Gospel, but as Christians, we must not forget what the Bible says in Hebrews 10:25 "*Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.*" Without the fellowship of other believers we risk our spiritual fire becoming very dim. There is still so much work to do and time may be short before the Lord comes for the saved that HE has redeemed.

I praise the Lord for the several meetings I have booked for this year. I will continue to preach as long as the LORD gives me strength & your support keeps me busy for the Lord. I thank you for your faithful support that I may continue daily in the Lord's work.

I remain your missionary in HIS harvest field for souls.
