March 2021

Dear Friends in Christ,

I think all of us would agree that this year has already started out different. It definitely started out different for us. In early February I began having trouble breathing along with other symptoms of Corona Virus. Within a few days, I found myself being transported by ambulance to a COVID Unit at an Emory Hospital in Atlanta. After 6 days in the hospital they released me to go home. After 2 weeks in quarantine we were able to get back on the road. The side effects of the virus still linger, but I am getting better every day. We certainly appreciate the prayers of God's people.

We are back on the road now, though moving a little slower. We are currently working with a church in Miramar, Florida. Usually we park our RV next to a church we are working with, but this church leases a building in a mall, making parking our RV impossible there. All the state parks are booked a year in advance and the private RV parks nearby are outrageously expensive. We appreciate Pastor Mickey Muse of Vision Baptist Church in Crestview, FL for allowing us to park our RV at his home. This enables us to be within an hour's drive of the church we are working with.

Please pray for us as we continue to work with the church in Miramar and seek to find them a pastor. This is such a wonderful church with a unique ministry right in the middle of Miramar and Destin Florida. We endeavor to be there every Sunday, so that usually means deputation in the middle of the week and then a drive from the Atlanta area every weekend in order to be there on Sundays. I guess you get the picture that we spend a lot of time on the highway.

God has been good to us and we are grateful for His protection as we travel. We appreciate your prayers and support, for all of this to be made possible. May God bless you for your faithfulness.

In Christ,
Alan & Patti Saunders
