Gospel Tracts in 2021:

What a joy it is to be involved in the tract ministry. Thank you for your involvement with us. 2020 was a year of Covid 19, face masks and testings. Thankfully God is in still in control!

Here we are well into 2021 and tract orders are on the increase. The potential of a single Gospel tract is under the watch care of the Lord God Jehovah. He is able to send a tract to where you and I could never go. The highways and hedges are wide open to Him. The Gospel message they carry will make the difference in many lives. Only God knows the potential of just one tract.

**"So shall my word be that goeth forth out of my mouth:
it shall not return unto me void, but it shall accomplish
that which I please, and it shall prosper in the thing
whereto I sent it." Isaiah 55:11**

Carl Braswell: Spanish Tract Shipments:

For years the print shop has annually shipped 500,000 tracts to Central America. Last year over 700,000 Spanish tracts were shipped to Nicaragua. The former Director of the MWBM

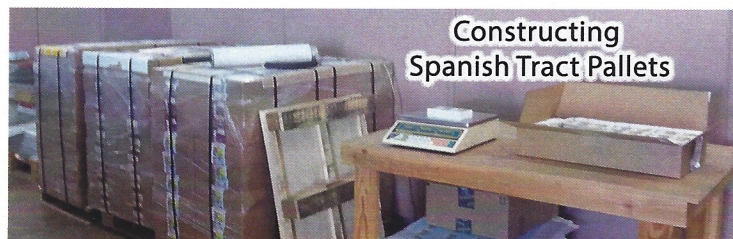

Print Shop, Brother Carl Braswell, worked hard to raise the funds for these shipments. For those who may not know, December 16, 2020 Brother Carl has gone on to Glory. He certainly will be missed. Brother Braswell was faithful to raise the funds

for these shipments for Brother Noe Mendoza and the Latin American Outreach (LAO) in Mission, Texas. Please pray for direction and the funds for upcoming shipments to Latin America. Thank you Brother Braswell for your labor of love.

New 1,000,000 Spanish Tract Shipment:

One million Spanish tracts are being prepared for shipment to

our missionaries Leroy Rolston, Marti Roberts and Gene Trask there in Honduras. Some new tract designs were included in this project like the new Spanish "4 Steps To Heaven" tract. Please continue to pray for the remainder of the \$4000 for the shipping expenses to come in. Thank you volunteers for your hard work.

Health Updates:

Sylvia is having lung and heart tests done to check her asthma issues. Please pray for the doctors to have wisdom. I recently had a biopsy done on both of my feet. The test confirmed that the neuropathy I've been experiencing is not something that can be fixed.

Thank you for all your prayers and support. God bless!

Bible Portions Project:

Thank you Nick Martinelli for helping us get these pre-printed booklets collated, glued and stapled into personalized covers. I'm sure the missionary to New York City will be thrilled to have these for his outreach ministry.
