THE CAMPBELL FAMILY

MISSIONARIES IN QUEBEC

"Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." Phil. 4:6-7

In our world today there is a lot of anxiety. Thankfully, as believers our hearts can rest in the Lord's perfect provision. What we find difficult lately is rest for the mind. When our daily lives get disrupted our minds can get bombarded with information and decisions. In this day where it seems everything is changing we can easily get swept up in side causes that may be good but in reality are distractions to what God wants us to do. We pray for you and ask that you pray for us and our church family that we may keep our hearts and minds focused on resting in Christ and reaching souls with the Gospel.

Here in Quebec we have been able to continue our church gatherings despite increased restrictions related to resurging case numbers last month. The police stopped by last Sunday to verify that we were in compliance with health measures but did not enter the building. We continue to have new visitors, and our church family is growing in grace. It has been an encouragement to see our children's ministry growing as the Lord has added young families to our church family. Pray for these children that they will learn from a young age to love and follow the Lord. Pray for the ministry workers and parents as we work together to raise a new generation of believers!

Sarah and I had the privilege of leading a young lady to the Lord just recently. She has been attending for a few

months now and has been already taking opportunities to witness to others. At the end of May we will be baptizing her and a young man that was saved last year. Our new members have really added to the spirit of the church with their eagerness to learn and to be a witness to their families. We are planning and looking forward to recommencing meals and activities to further strengthen our relationships through more fellowship time.

Please continue to pray with us for our church projects. We will soon start repainting the exterior of the building and replacing trim. We still need about \$25k to begin our parking lot project. If you would like to give toward these projects, you can send donations to MWBM and specify "Josh Campbell - building fund". You can also give online at mwbm.org.

We were able to make a trip down to the US to visit our families and take some vacation time. We are so blessed to have the love and support of our families. One reason for our trip was to help Sarah's mom come back up with us. She has graciously agreed to come up here for the next 6 months and help our family and ministry. Please pray for her as she adjusts to the culture, language, and family life with us.

Over the past few years the homeschool regulations have become more and more complicated. The number of homeschoolers has greatly increased since the pandemic and it's been a great opportunity to meet other families and share our experience and love for our family and Christ. Please pray with us that we can continue to have the freedom to school our children as we see fit. Thank you all for your prayers and investment in our ministry!
