

the Home Office

Quarterly Newsletter

May 2021

Greetings to you from the Home Office of Macedonia World Baptist Missions. These are exciting days as we are slowly able to get back to a sense of normalcy. We have seen the Lord answer prayer on our behalf, and we are looking forward to the days ahead and seeing how God will continue to work.

As you know from our previous letters, our office staff has been involved for quite some time in a transition to a new accounting software. There have been many ups and downs along the way. However, we are thrilled to share with you that we have been running completely on the new software for the past two months. We are thankful for how the Lord has answered prayer in allowing us to get to this point. There are still a couple of small details to work out in the days ahead. Though challenging, in many ways this transition has been a help to our office staff as we have once again witnessed the Lord working and answering prayer on our behalf. It is a great blessing to be reminded He still answers prayer.

Another great answer to prayer is for labourers. We pray regularly here at the Home Office for labourers. We need more families to surrender their lives to reach the world with the Gospel of Jesus Christ. It is always a blessing when God answers this prayer. In the month of May, we will have mini-orientation classes with three new missionary families. This involves two full days of intense classes of training and preparation for deputation and the task God has called them to.

We are also excited about upcoming meetings we are planning for this year. In April we were blessed to once again host the Georgia Youth Fellowship Spring Rally in our Heritage Training Center. God certainly met with us, and the young people in attendance were challenged to surrender their lives to be labourers for the Lord. We are praying God will call many of those young people to world missions.

We are also gearing up to host the First Annual Reach the World Youth Conference on Saturday, June 19, 2021. We are earnestly praying that God would work through this conference to call young people to the mission field. This will be an all day conference. Plans are in full swing and spaces are filling up. We only have a limited number of spaces open. If you are interested in the conference, you can learn more and register online by visiting our website.

In September, we look forward to having our Annual Conference. This year's conference will be held September 26-29 at the Zion Hill Baptist Church in Greenville, South Carolina. Let me encourage you to make your plans now to join us for these days. The Annual Conference is always a highlight for our missionary families, and we know you will be blessed by it as well.

We are also planning to host The Church Conference on September 21, 2021, at Ambassador Baptist College. This is an expansion of the Church Rescue Workshop we were blessed to host several years ago. We look forward to sharing ideas regarding church planting, church growth, and church rescue at this conference. We need strong, growing, thriving churches. Our prayer is that God will use The Church Conference to strengthen churches.

The second semester of the Macedonia Institute for World Evangelism is almost completed and ready to go live. These classes are proving to be a help to those who invest the time into them. We trust they will help to provide the training and help our missionaries need to keep them on the mission field.

In closing, let me once again say thank you for your part in reaching the world with the Gospel. Your support of the Home Office means more to us than you could possibly know. We depend upon your prayers and support to do what we can to assist the missionaries of Macedonia World Baptist Missions as they reach the world with the Gospel of Jesus Christ.
