

JERRY & DEE NYE

Reviving Baptist Churches
(A CHURCH RESCUE MINISTRY)

Mar. Apr. 2021

Dear Faithful Friends ,

We are back from Canada and its nice to be out of cold weather. Dee loves the snow and she saw plenty of it. I don't do cold very well but it was good to be with our family in spite of the weather. Our daughter, Lori Horton, took very good care of us and our granddaughters spoiled us with lots of hugs and attention. They had asked us to come there so I could start to recover from my heat attack and bladder cancer. I am doing better but I am not back to normal yet. I have been walking on the treadmill but can't last real long. I got to preach in Canada and that was the first time since Oct.. What a blessing it was to be back in the pulpit again.

Please pray for Dee. In all that has happened she has been pretty well stressed out and has some serious issues. She probably needs prayer more than me at this time. We have been advised by our Pastor to continue on a medical leave until we both get back to better health. He has asked me to take the Wednesday night services at our home church. I am grateful for this opportunity and looking forward to this ministry.

The last church we were helping now has a new Pastor. (Believers Bapt. Ch) I am thankful for their patience and I am going to miss being their Interim Pastor. This was a hard church to leave and we miss their fellowship.

Please pray for churches all over our country that have been devastated by Covid 19. Some need pastors and some will never re-open. Mt 9:38 Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.

Thank you for your prayers during our urgent time of need.

Keep looking up.

In His Service,
Bro. Nye
