Greetings From Kenya

Indeed, it has been a different year. The Bible says in Galatians 6:9, “And let us not be weary in well doing: for in due season we shall reap, if we faint not.”

COVID 19 pandemic. Apostle Paul said preach the gospel in season and out of season. Despite all the challenges the word of God must be preached. Yes, indeed our ministry was affected greatly and still a third wave is causing a lot fear here in Kenya. Despite this we are going strong and want to update you on

Church Ministry Updates

Since January to March our services went on smoothly and we thank God for that. We held our services outside because we don't have a church building. There is a plan to build it this year God willing.

Christian School Ministry Updates

This is a very important ministry in our ministry. It has been a blessing for us to see little children coming to the Lord. It is through these children that parents receive Christ as their personal savior.

The government of Kenya had put some requirements that had to be met in order to open our school in January. Brothers and sisters you really stood with us and we were able to meet those requirements, open school and continue smoothly till March. We really thank God for you. We closed the term in April and we shall reopen again on Monday 10th May 2021. Pray for us that God may be with us till the end of the term.

Care Ministry

God has been providing for the orphans we have in our Christian school. Last term we had 28 and we thank God for enabling us to care for them with food, clothes and education. This term we will have 32 which is the highest number we have ever had. Pray that God may give us wisdom and support so that these children may get a better life in the future.

Prayer requests

1. Pray that God may protect us from the COVID 19 pandemic.
2. Pray that God may give us the resources we need to build a church within the school compound
3. Pray for the orphans. They also need support financially.
