Dear Praying and Caring Friends, and Co-Laborers:

"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, --- Unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen." (Ephesians 3:20, 21).

Health Updates: Oleen has been diagnosed with type 2 diabetes, and is taking medication, but her blood sugar level stays a bit high. Pray that she will get this lowered. We have two new great grandsons around 2 months old each. Charlie Tinsley, our grandson is the dad of Owen Tinsley. Our great grandson. Connor Tinsley, Tyler Tinsley's son, was in the hospital with a virus, and was in a very scary situation. However, he has been released from the hospital, and praise God, he is doing well Thank you for your prayers. Wendy Tinsley is still coping with a heart condition, and leukemia. Please continue praying for her. Ashley Tinsley, Paul's daughter, our granddaughter, seems to be recovering well. Thanks again for your prayers. Finally, Michael Tinsley, Mark's son, who is autistic, is becoming more and more independent, doing many things on his own without the aid of his parents. We are praying that he will soon become verbal. Praise God for his improvements. God is so amazing! He has been so good and gracious to the Tinsley family

Recently, I was privileged to preach to the young preachers at New Manna Baptist Church in Marion, NC. This was truly a blessing to me. I do a lot of tract distribution, and try to stay busy for my Lord. I also have an intercessory prayer ministry, praying for family members, preachers, pastors, and churches. I have seen many prayers answered, and for this I praise God!

Please do remember Oleen and myself, and all of our family members in your prayers. We are praying for y'all! Always be reminded that prayer works. God is concerned about our needs. He is a very caring God! See prayer link above.

Serving Jesus until He returns,
