We are seeing the Lord's blessing and Satan's fighting at the same time in our church. We have had a couple of new families with kids start coming to church and we are also seeing growth and a hunger for the Word of God. We have also had multiple attacks on the ministry and on our family in the form of "just trying to help". This has been discouraging to see the strong holds that are present in so many that we love. Satan is trying to stop the growth of some of the people that God has brought into our lives and to watch people make decisions that will not help them move forward in their Christian growth is extremely heart breaking as we see the pain that results from poor decisions.

Our Easter Sunday went great with a good number of people in attendance. You could feel God's Spirit moving in our service from the music to the preaching of God's Word. And praise God we had nine kids in children's church, and everyone left church Easter Sunday remembering Jesus is Alive!

God blessed in our first youth service by having twelve young people in attendance plus several adults! Pray for Ernesto's family with five kids and Dorothy's Great-grand kids that they will keep coming and the Lord will do a special work in their hearts and lives. Pray for wisdom for us as we look for ways to reach out to the youth in our city. Satan is after the next generation; he does not want them to love Jesus and to love growing in the Word of God.

We are looking forward to our mission revival coming up in July. Our mission revival theme is Being Fishers of Men taken from Matthew 4:19 "Follow me and I will make you fishers of men." To introduce the theme of the mission revival to the church, we had "Adopt a Missionary" Sunday where each family adopted a missionary family for the rest of the year. This involves calling, emailing, praying, and connecting with them. Our goal is to have our people get to know the missionary personally and be more involved in spreading the gospel around the world.

Praise the Lord, as the storms of life are raging all around in our world today, we know the maker and master of the storm and that is Jesus Christ! He has not failed us, and he is not going to start now! Hebrews 13:5 promises, "I will never leave thee nor forsake thee." Move forward for Jesus because he is coming back soon!

Your Friends in Christ,  
*Caleb and Joy Worley*

Proverbs 29:18 "Where there is no vision, the people perish."
