

THE BAKER FAMILY

European & Middle East Field Director

There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. **Romans 8:1**

June 17, 2021

Dear faithful friends and supporters,

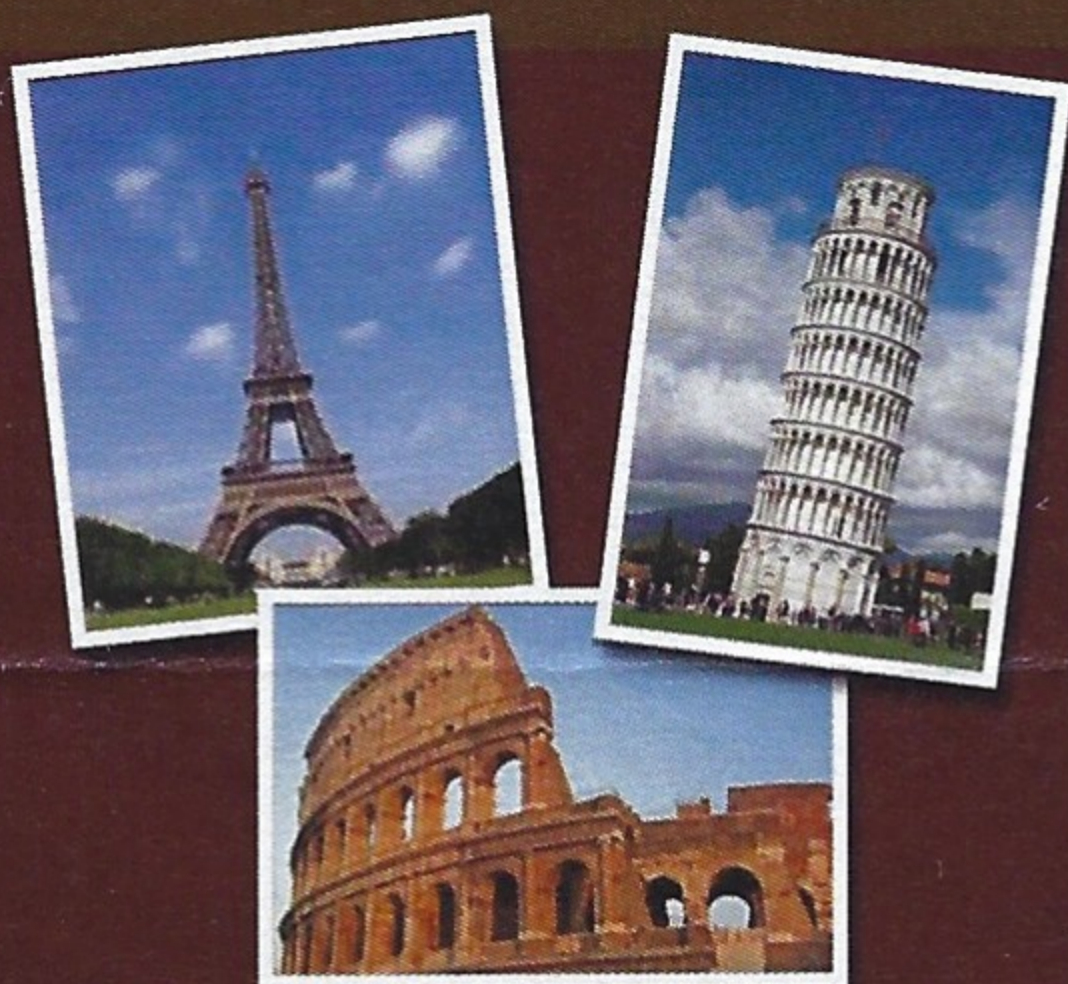

Hope that you folks are doing well. I had a little health scare since my last prayer letter, but things are much better now. I only had to miss one meeting, for which I am so grateful. We are back to a full schedule of traveling and preaching, working to help missionaries, especially in Europe, and helping with projects for world evangelism. I can assure you I never get bored.

Some of you know I have been working on an 84-page Gospel/New Converts booklet for tens of thousands of African Public High School students. When I returned from Kenya over a year ago, God burdened me to make something available to all the young people who get saved. The Kenyans have **nothing** to put into the hand of these hundreds that get saved every week. The African Independent Baptist team I am working with out of Eldoret, Kenya, goes into several countries and preaches to several thousand young people each week. Some of the countries the teams go into are Kenya, Uganda, Tanzania, and several others. We do not know how long the door will be open. Right now these governments are allowing it.

Muslims are flooding these African countries and are targeting the teenagers in an effort to convert them to Islam. We must get them saved and grounded.

I hope to mail a packet to you in the next 2-3 weeks containing a short six minute video taken while I was in Kenya, A COPY OF THE BOOKLET, and a letter explaining how we plan to have these printed and used with tens of thousands of young people. I have tailored the booklet to their needs and it is written to the liking of the African pastors. The packet will explain. They have reviewed the booklet and have told me they believe this will be the greatest tool they have had in many, many years. They are pleading with me to hurry. PLEASE PRAY!
