To our Beloved Brethren in Christ,

May 2021

Our Report: We praise the Lord for what He has done for us during May of this year. We have been enabled the opportunity to share our church-planting burden for Oregon with several churches, to preach God's eternal and infallible Word, and to sow the seeds of the Gospel with many souls. Our travels this month have been reduced to the states of Kentucky and Tennessee, which allowed us to take care of some vehicle maintenance and some other imperative items that needed to be done. We praise the Lord for the relaxing of state mandates which is making travel easier each week. God has opened the door for Benjamin to continue working with Tommy, who is a confused Catholic in need of God's salvation in Christ. He has been reading the KJV Bible we gave him, and has questions. Please help us in prayer for his salvation. We praise God that during many services this month, where God impressed Benjamin to preach the Gospel, sinners were present. We did not see any move toward God, but several were confronted with their sin and the Savior. Among these, were those who admitted they were lost; please pray for these to be saved soon and for the churches to be able to reach them where they are.

Our Requests: Please pray for the following requests – and Thank You.

- that all of our children would come to salvation while they are young and tender.
- for some health issues due to driving and sitting for such long periods of time.
- that we would have effectual and open doors to share the Gospel of Christ.
- that we would redeem the time, in the light of Christ's coming in the Rapture.
- that our schedule would fill up from August through December.
- that the Lord would send forth Laborers into the Harvest fields.
- that there would be a genuine revival of New Testament Christianity among the Lord's people.
- the leaders of America and around the World to come to know the Lord as Savior.
- that there would be peace in Jerusalem.

Our Rejoicing: Since our last letter until this time, we have had 5 more churches choose us to be their messengers in Oregon and the Northwest USA bringing us to 54.3 %. We rejoice in how God is providing partners in His great work. Please help us pray that our support will be finished in time for us to move out by late Spring/early Summer of 2022. We also rejoice that in the last few months, God allowed us the privilege to see our Commentary on the book of *Romans* shipped over to Africa and the Philippines to be used in Bible Colleges for the training of preachers. We rejoice again that God has called us to the work of church plant-ing, and we also rejoice that it is His work. We are expecting and asking God to birth churches, then to bless those churches, and to build those same churches.

We rejoice that God has given us access to Him by the Sprit and through the Son. Let us all make our way to the Throne of Grace, and stay there in His presence making both our petitions and our praises known unto the Father.

We can never say it enough—**Thank You** to every church and every Christian that is standing with us in these days as we seek to further the Gospel and forward the faith of Christ. We also rejoice that we are scheduled to preach in our Home church on Father's Day evening, June 20th. We are looking forward to this time, and desire everyone to be praying for this service.

Because He first loved us,
The Cooleys (Rev. 22:21)
