June 2021 Prayer Letter

Dear Pastor and Church Family,

In the last year, we have seen the importance of Hebrews 10:25, "Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching." As Christians, we need to unite with fellow believers for the strengthening of each other and our churches. We need the exhortation of one another as well as fellowship with each other to encourage us in our daily lives. When your seat at church is empty, we all suffer!

We want to say THANK YOU for your continued prayers and support while my wife Debra continues with her treatments here in South Carolina while we are on a medical furlough. It is a hormone-based chemotherapy designed to shrink the tumors that my wife has. Her doctor wants her to have either a mammogram or MRI every three months. It is a slow process. We were told the tumors are shrinking, but how much, we do not know. Please continue to pray for my wife.

We are now going to see a shoulder specialist for Debra's left shoulder since it has been giving her a lot of pain. Our doctor ordered an MRI, and the results show a good bit of damage. Possible surgery is in the future. Please pray that she will have complete healing and no more pain.

The church in Iquique and the mission in Alto Hospicio are holding their own despite the lock down that they have been under. They had opened it up to allow twenty people to come but were shut back down. The new restrictions only allow them to have five plus the preacher in the service. Most are able to watch the service by zoom. Please pray for them as they continue to hold services under these restrictions.

Again, I want to thank each of you for your continued prayers and faithful support for us.

In Christ's Service,
Curtis and Debra Couch
