Growing by His Grace

This past month of May we have seen several visitors and continued to have new record attendance by the Grace of God. This past Sunday, Memorial Day, we had our highest attendance yet with 5 first time visitors giving us a total of 18. We know that it is not all about the numbers, but it is always encouraging to have new visitors coming to Church.

Toward the end of May we were looking at the possibilities of finally renting our own space to have the church full time but unfortunately that opportunity fell through. Even though that opportunity didn't work out God was still working on our behalf. This month of June we will be meeting in a new larger facility in a much more populated area. Which will not only help us on Sunday mornings for being easier to find and having more space, but also for our outreach ministry as we will be surrounded by thousands

of homes. It will still only allow us Sunday use but we will be able to add our Sunday Afternoon services as well. Which is a huge answer to our prayers.

Please continue to pray that we will see more souls come to know Christ as their Savior, & that the Lord will allow us the opportunity to have our own space to use full time for services, discipleship, & activities.

If you have any questions please feel free to contact me: 706.540.8559 or raleigh.hill@me.com, or if you would like to plan a trip to come help us with evangelism. Thank you all so much for your love & support.
